Proposal 1: A Wolf in Sheep's Clothing

A statement of the Catholic Bishops of New York State

On November 5, faithful citizens throughout the nation will have the opportunity once again to exercise their sacred right to vote. Pope Francis has reminded us that as thoughtful Catholics, we must participate in the public square for the sake of the common good. Every Catholic is called to do the work of properly informing his or her conscience and voting for candidates and policies that will best advance the natural law, the protection of human rights, the dignity of the human person, the sacredness of all life, and the teachings of Christ and His Church. It is a presidential election year, and there are important votes to be cast for Congress and the state Legislature as well. Importantly, in New York, like several other states, there is also a critical referendum on the ballot.

Educating oneself will be especially important in the case of Proposal 1, sometimes referred to as the "Equal Rights Amendment." The title suggests a noble cause, as all children of God should be treated equally under the law. However, this proposed amendment to the state Constitution is broadly written and could have dangerous consequences if enacted, which is why we oppose it and urge you to vote no. The measure would, effectively, permanently legalize abortion without restriction and up until the moment of birth in New York. Aside from being redundant in a state that already has stripped away all abortion limitations, the amendment would render impossible any change to the law if the hearts and minds of New Yorkers were ever to shift toward protecting the child in the womb.

The amendment's sweeping language and inclusion of "age" as a protected class could also lead to parents' rights being stripped away. Courts could decide that parents have no authority over their minor children on important matters and permit children to make destructive and permanent decisions on their own which they could well live to regret, including but not limited to so-called "gender affirming" treatments and surgeries. The relationship between parents and their children is sacred. Parents must be able to support and guide their children in accord with the natural law, without interference from the government or courts, which would be reaching beyond their competency.

Proposal 1 is a wolf in sheep's clothing that could lead to darkness for many New York families. This amendment disregards the lives of unborn and struggling children in the name of political agendas. It could have dangerous consequences for these children and their parents. As they look to make their voices heard in the public square, faithful Catholics should consider these consequences and vote no. Likewise, they should thoughtfully vote their informed conscience up and down the ballot so that we might usher in change for good.

Lord God, as the election approaches, we seek to better understand the issues and concerns that confront our city/state/country, and how the Gospel compels us to respond as faithful citizens in our community.

We ask for eyes that are free from blindness so that we might see each other as brothers and sisters, one and equal in dignity, especially those who are victims of abuse and violence, deceit and poverty.

We ask for ears that will hear the cries of children unborn and those abandoned,
Men and women oppressed because of race or creed, religion or gender.

We ask for minds and hearts that are open to hearing the voice of leaders who will bring us closer to your Kingdom.

We pray for discernment so that we may choose leaders who hear your Word,
live your love, and keep in the ways of your truth as they follow in the steps of Jesus and his Apostles and guide us to your Kingdom of justice and peace.

We ask this in the name of your Son Jesus Christ and through the power of the Holy Spirit. Amen.

Then the Lord came down in a cloud and spoke with Moses, and He took some of the power of the Spirit that was on him and put it on the 70 elders.

The Spirit also rested on 2 elders who had remained in the camp, and they began prophesying in the camp. Upon learning of this, Moses' helper, Joshua, said, "Moses, my lord, stop them!" How did Moses reply?
